Dear Friend:

This comes to advise you that the Double-header baseball games scheduled to be played at Briggs Stadium Sunday, June 7 will provide for us exactly that type of wholesome, interesting sports opportunity that we are always anxious to enjoy — corking good baseball games played by the very best colored teams in an atmosphere superb.

This Double header on June 7 will bring together the fast Baltimore Elite Giants and the famous New York Cuban Stars, perhaps the two best Negro teams in Baseball to-day. None should miss seeing them perform.

Let us make June 7 a real RED LETTER DAY for all Detroit and Michigan! Talk the idea over with your club members, neighbors and friends. Why not make up a party and meet other parties and friends at the game. Tickets will be on sale at the Stadium only beginning June 1. Boxes \$1.65; reserved grand stand \$1.40; unreserved grand stand \$1.10; Bleachers \$.55

Very truly yours,

THE DETROIT NEGRO BASEBALL ASSOCIATION
